Mail Stop Amendment

Commissioner of Patents and Trademarks

P.O. Box 1450

Alexandria, VA 22313-1450

This is in response to a notice of Non-Compliant Amendment mailed 4/07/2006 having a shortened period for response set to expire on 5/08/2006. That notice is in regard to an amendment filed on January 17 2006 in the above identified application. In that notice, the Examiner stated that only one listing of the claims is proper, having clean and marked up copies of claims is improper. In addition, there are three copies of claim 8, and it is unclear to the Examiner which version should be entered.

Accordingly, replacement pages 1 and 2 are herewith submitted for removing the first occurrence of claims 1 and 8 from the amendment and to delete a paragraph referencing supplements A and B.

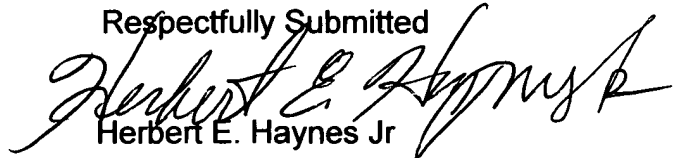

Please cancel page 7 to remove the second occurrence of claims 1 and 8 from the amendment.

Also, replacement pages 8 and 9 are herewith submitted to provide marked up versions of amended claims 1 and 8 in the claim listing.

It is believed that this response places the amendment mailed on January 17, 2006 in compliance with 37 CFR 1.121 and entry thereof is respectfully requested.

However, if a condition of non-compliance still exists, it is respectfully requested that the Examiner telephone the Agent of Record at the telephone number given below.
